

At Race Leys Junior School, we want to not only ensure academic achievement but also to give our children a whole range of experiences through our ‘101 Experiences’, an ever growing list of experiences that we would like all children to have during their four years at Race Leys. It is through giving children these experiences that they come to know the wealth of opportunity available to them and discover their talents.

Year 3	Year 4	Year 5	Year 6
