2nd March 2021

Dear Parents/Carers,

CO-CURRICULAR CLUBS

Please find attached the exciting Spring Term co-curricular programme with descriptions, equipment and booking details for each club on the reverse. As always we are offering the widest variety of clubs we can with the staff and resources we have available.

Please pay close attention to the dates as some clubs run for the term, and some are half-termly. There are also different finishing times so please ensure you check dates, times, age groups closely and keep a copy of the timetable for your information.

If your child would like to take part in one or more of the clubs, please fill in the form on the reverse of this letter and return it to the school office as soon as possible. Places are limited and we would ask if your child decides that they no longer wish to take part in the club they have chosen, that you contact the school so that the place can be offered to another child. A text message will be sent to confirm if your child has a place at the club of their choice. If for whatever reason your child is unable to attend, please notify the school for safeguarding purposes.

In the past, we have had a number of forms returned without the child's name at the top which makes it impossible for us to assign clubs so please ensure a name and class is written at the top of the form so your child doesn't miss out. All clubs are open to boys and girls.

Our aim is to encourage all children to take part in one of our clubs. If you have any ideas or suggestions for other clubs or activities, please let us know.

*Please note all clubs are limited at this time due to COVID restrictions we can only have small year group bubbles together. We will in due course reevaluate all club offers and hope to bring in more exciting and new offers from outside agencies.

Yours sincerely,

S.Lamb
